Pocket Guide to Legal Research

The Pocket Guide to Legal Research is a comprehensive desk reference for use by paralegal students, practicing paralegals, legal assistants, and attorneys. The format allows the user to quickly obtain the answer to many commonly encountered research questions concerning case, statutory, secondary authority, Internet research, and legal citation. A glossary of relevant legal research terms is included, along with three appendices covering court opinion, elements of statute, and a research source chart. Written in a non-technical manner, this book is an appropriate resource for learners at all levels.
