Mesopotamian Civilization : The Material Foundations

The best way to achieve an understanding of the art, architecture, history, and literature of a great civilization such as Mesopotamia's, D. T. Potts believes, is through an analysis of its material infrastructure. Concentrating on Southern Mesopotamia and relying preponderantly on evidence from th

Feeble-Minded in Our Midst: Institutions for the Mentally Retarded in the South, 1900-1940

The problem of how to treat the mentally handicapped attracted much attention from American reformers in the first half of the twentieth century. In this book, Steven Noll traces the history and development of institutions for the 'feeble-minded' in the South between 1900 and 1940. He examines the

Betting on the Wrong Brother

This good girl is ready to be bad... He may be at a romance readers' convention, but a naked woman in the elevator is not what horror writer Ryan Wheeler expects. Now he can't take his eyes off of her-and not just because he saw her naked, though her luscious curves certainly aren't helping the ma

What others say about this ebook:

Review 1:

I loved the pictures in this book, even though it was free, to get the kind of printing paper you need to print them out and the ink cost. It's cheaper to just buy a physical book.

Review 2:

Really wish these so-called authors would find new designs to give us instead of repackaging the old ones over and over...have them all elsewhere. Glad I got it free.

Awesome

Review 5:

I have always loved to color, from the time I was able to pick up a crayon until now. Long before it became a trend, I have been coloring as a way to reduce stress. I would doodle with a black pen while I was on the phone (which is what I do for work at a call center) and then after I had a page full I would fill in with colored pencils. Now that ?Adult Coloring Books? have become a trend, I have started finding more and more books available.

I was a bit skeptical about being able to print from a kindle book, but there was a PDF file included that you can print from. You can choose to print one or two or the whole book multiple times. It is a book with low resolution images of coloring pages. Once you have the PDF, you can print the images and color away! I chose to print at home on regular copier paper and color one image at a time. It's great that you can use the same design and color many different ways if you wish. I have made my daughter (she's 13) a binder with a bunch of printouts from this and several other books and a pencil pouch with coloring pencils so she can take it wherever she wants.

In regards to the designs, there are many designs that vary significantly in detail and complexity. Again, I see this as a positive since if I have less time on my hands, I can do a simpler design or I can share it with nephew to color. But, if I have more time on my hands or I really want to escape and relax into some coloring meditation for a while, I can choose a more complex design.

I REALLY like the idea of a PDF that can be downloaded and the flexibility it provides for lots of fun family coloring. I'll definitely be checking to see if there are any other books available by this artist in the future.

If you found my review helpful please vote "YES" as this helps me become a better reviewer!

My review, my opinion and experience is honest and 100% genuine. . I am in no way affiliated with the developer, manufacturer or distributor of this product.
