How To Succeed In Nursing School

HOW TO BECOME A NURSE, FROM START TO FINISH Get this Amazon bestseller and start the journey! You're about to discover how to... Reach your dream of.... Becoming a nurse! Since you have decided to become a nurse, you may have a lot of questions concerning: How to choose a nursing school, How to Become a RN, How to become a LPN, What is the difference between RN & LPN & BSN. In addition to "How" to become a nurse: You may ask, How to be successful as a nursing student. My name is Caroline Porter Thomas and I am the author of this book. I wrote this book out of huge concern with how difficult & confusing the process of becoming a nurse was. I had a difficult time

Why Some Companies Emerge Stronger and Better from a Crisis: 7 Essential Lessons for Surviving Disaster

Mitroff is the most eloquent voice we have writing about crises. This is his masterpiece." -- Warren Bennis There is a huge difference between business continuity planning and true crisis management. Ian Mitroff, recognized around the world as an authority in crisis management, has created a plan

That Noble Dream: The 'Objectivity Question' and the American Historical Profession (Ideas in Context)

The aspiration to relate the past "as it really happened" has been the central goal of American professional historians since the late nineteenth century. In this remarkable history of the profession, Peter Novick shows how the idea and ideal of objectivity was elaborated, challenged, modified, and

Saga of the Swamp Thing

This collection of issues #57-64 of SWAMP THING begins across the galaxy, where the Swamp Thing's consciousness has been hurled. Trying to find his way back to Earth, Swamp Thing stops over on Thanagar, home of Hawkman; Rann, home of Adam Strange; and encounters the Green Lantern of a world of sent

What others say about this ebook:

Review 1:

Caroline is the BOMB!

Review 2:

She seems like a very caring author. Most of the info I knew already from researching from the internet and from the Allnurses.com

Review 3:

So helpful! Thank you!

Review 4:

A motivational and informational book. With much input from other nursing students, practicing RNs, and nursing educators, it is evident that a lot of work has gone into the writing of the book, and makes the information much more objective as it comes from many perspectives and not just the author. This book also gives many valuable suggestions on how to increase efficiency during the academic term, while also giving allowances to take care of our own emotional well being, as the course contents can become very overwhelming. Well worth the price!

Review 5:

Almost done with it! A good read with a lot of great tips! :)
