Taking Care of Aging Family Members:: A Practical Guide

Established in its first edition as the definitive guide for family members and professionals on all aspects of caring for the aged, this beautifully written and comprehensive handbook has now been updated and expanded to include more issues of concern to the aged and those who care for them. Unlike other books on caring for the aged, Taking Care of Aging Family Members provides thorough and substantive advice and information on the complete range of psychological, social, and financial issues that face those involved in caring for an older person. This expanded edition includes new sections on spiritual concerns, ethnicity, and self-neglect, as well as updated sections on conflict resoluti

Bound By Law? (Tales from the Public Domain)

A documentary is being filmed. A cell phone rings, playing the "Rocky" theme song. The filmmaker is told she must pay \$10,000 to clear the rights to the song. Can this be true? "Eyes on the Prize", the great civil rights documentary, was pulled from circulation because the filmmakers' rights to music

Tour du Mont Blanc (Trailblazer Guides)

At 4807m (15,771ft), Mont Blanc, the highest mountain in western Europe, and one of the most famous mountains in the world, does not stand alone. The snow dome summit is the highest point of a spectacular massif of peaks stretching 60 miles by 20 miles. The height of Mont Blanc and its adjacent pea

Literacy in American Lives

Literacy in American Lives traces the changing conditions of literacy learning over the past century as they were felt in the lives of ordinary Americans born between 1895 and 1985. The book demonstrates what sharply rising standards for literacy have meant to successive generations of Americans a

What others say about this ebook:

Review 1:

I purchased this book as a text for a graduate school course. The content is good but there are a lot of outdated references in this 20-30 year old book.

Review 2:

I love this book! I use it often as a reference. I have found it incredibly helpful in addressing the myriad issues of my aging family members.

Those of us who are fortunate enough to have elders in our lives will benefit from the practical, sensitive, and expert guidance this book gives. It contains dozens of suggestions for dealing with tough topics like "taking away the keys"(to the car), or how to approach the topic of your loved one needing professional care. The book also includes lists of organizations that can help you journey through the many issues that come with aging.

I have purchased this book for many of my friends, and each one has found it to be a useful and enlightening tool. I can't praise it enough. It's been a lifesaver.
