## The Portal to Past Life Insight

The Portal to Past Life Insight is a collection of short stories about individuals looking for answers to life's challenges. After conventional methods have proven unsuccessful, clients turn to a hypnotherapist and past life specialist for an alternative approach.. Most of life's challenges center around lessons the soul has chosen to learn. Unfortunately, the soul often finds itself stuck in loops that transcend lifetimes. Traveling back in time, collecting information we identify lessons the soul is trying to learn. Each story transports us to various locations around the world, throughout history. Our journeys include Ancient Egypt, Siam, and Nazi Germany. We relive the Klondike Gold Rush, search for the Northwest Passage, and serve time as a political prisoner in the penal colony of Australia. Find out how past lives affect current and future lives, and see how the soul creates lives in order to learn and grow. Know what to look for and how to find key information to address and solve issues in your own life. Part humor, part inspiration, this book encourages you to want more. More out of life, and more of a connection between your physical body and your soul.
