The Concept of a Legal System: An Introduction to the Theory of the Legal System

What does it mean to assert or deny the existence of a legal system? How can one determine whether a given law belongs to a certain legal system? What kind of structure do these systems have, that is--what necessary relations obtain between their laws? The examination of these problems in this volume leads to a new approach to traditional jurisprudential question, though the conclusions are based on a critical appraisal, particularly those of Bentham, Austin, Kelsen, and Hart.

Blowing Rock (NC) (Images of America)

The beautiful and mountainous area of Blowing Rock, North Carolina, has a rich history dating back to the days when the Native Americans passed through on the Nickajack Trail, which led into Tennessee. The town derives its unique name from a rock outcropping near the town, where the winds defy grav

Introduction to the Legal System - Pearson Canada

Philosophers have been trying for centuries to determine just what law means, and their theories have profoundly affected the development of our legal system. Law has been defined in moral terms, where only good rules are considered law (natural law theorists). Others have defined law by looking at its source, stipulating ...
