Pioneering Healthcare Law: Essays in Honour of Margaret Brazier (Biomedical Law and Ethics Library)

This book celebrates Professor Margaret Brazier's outstanding contribution to the field of healthcare law and bioethics. It examines key aspects developed in Professor Brazier's agenda-setting body of work, with contributions being provided by leading experts in the field from the UK, Australia, the US and continental Europe. They examine a range of current and future challenges for healthcare law and bioethics, representing state-of-the-art scholarship in the field. The book is organised into five parts. Part I discusses key principles and themes in healthcare law and bioethics. Part II examines the dynamics of the patient–doctor relationship, in particular the role o
