How to Build a Smoker: A Complete Step-by-Step Guide to Building a Homemade Smoker: Build an awesome smoker from a 55 gallon drum

This book is a 110 page detailed guide to build what I would consider to be the best darn homemade BBQ Smoker on the planet. This is a full blown nuts to bolts, 110 page instruction guide with pictures that will walk you step by step in building your dream BBQ Pit. This is a well thought out, engineered BBQ smoker that is made up of many components that all work together in harmony to produce championship quality BBQ. Why do I think the plans are so good? Well, I have spent the last 5 years designing and building the ultimate BBQ smoker based on readily available 55 gallon drums and with NO WELDING. I have spent COUNTLESS hours perfecting the design, so that it does the following: Maintain

Praise for **Beating Hearts**

"*Beating Hearts* is a deeply personal yet rigorously reasoned exploration of the moral questions that animal experimentation, hunting, and farming have in common with abortion. Sherry J. Colls and Michael C. Dorf have written a compelling condemnation of most of the ways we exploit and abuse our fellow sentient beings while defending a right to abortion—but without devolving the human fetus. No one who has read their passionate but carefully documented analysis will ever think about these warring questions the same way again."

—Laurence H. Tribe, Harvard Law School

"*Beating Hearts* is a refreshing and surprisingly fun journey. This nuanced book clarifies how it is possible (indeed, how it is all but required) to be both pro-choice on abortion and fully committed to animal rights. Colls and Dorf offer a wealth of knowledge and insight as they walk us through the various issues raised by those two ethical commitments."

—Neil H. Buchanan, George Washington University Law School

"*Beating Hearts* deals with two very significant issues in a thoughtful, morally conscientious exploration of the treacherous terrain occupied by each concern and their entwining aspects. With rare eloquence, Colls and Dorf constructively, carefully, and kindly interrogate the basis for deeply held beliefs about these extremely important issues."

—Tammie Bryan, University of California, Los Angeles

Beating Hearts: Abortion and Animal Rights (Critical Perspectives on Animals: Theory, Culture, Science, and Law)

How can someone who condemns hunting, animal farming, and animal experimentation also favor legal abortion, which is the deliberate destruction of a human fetus? The authors of *Beating Hearts* aim to reconcile this apparent conflict and examine the surprisingly similar strategic and tactical questio

Hiramoto High School: A Preview (Volume 1)

Sayumi Fujita is a fifteen year-old student who has just moved to Tokyo. From the very first day of school, the notorious Midori gives her a hard time. After being saved by two classmates, Sayumi meets a certain Haiko Hasegawa, who immediately captures her attention. But hanging out with him will only create more problems, especially with Midori...

In this preview of "Hiramoto High School" volume one, 14 year-old artist and author Julia Pellmar offers us a glimpse into the world of Sayumi and her funny and unpredictable friends.

Why the French Don't Like Headscarves: Islam, the State, and Public Space

The French government's 2004 decision to ban Islamic headscarves and other religious signs from public schools puzzled many observers, both because it seemed to infringe needlessly on religious freedom, and because it was hailed by many in France as an answer to a surprisingly wide

range of social

What others say about this ebook:

Review 1:

I THOUGHT THIS BOOK WOULD HAVE DIFFERENT WAYS OF BUILDING A SMOKER, NOT JUST THE ONE METHOD AND THAT METHOD DOES NOT SUIT MY NEEDS.

Review 2:

Ok just got the book. looking at it it really is just a quick project guide that was thrown together. there are step by step instructions but the pictures that accompany them are way to dark to make any thing out leaving you to guess what it was. I have my barrel and im going to try and follow the book. ill get back on how it turns out.
